Bulletin #9 of 2026. November 23, 2026

CHANGE TO PRODUCT BULLETIN

P/N 510-550 Oral Nasal Valve Is Now Clear

Products Affected: All Kirby Morgan® helmets and BandMasks®, their associated soft goods overhaul and helmet or mask spares kits, and P/N 525-383 KM Stainless Steel Shell Rebuild Kit and 525-640 KM Diamond Conversion Kit.

The P/N 510-550 Oral Nasal Valve used in all oral nasal masks has changed from gray to clear.

To the left above, the previous P/N 510-550 Oral Nasal Valve was gray, and to the right above, the current one is clear.

The part number will remain the same, and no changes to the procedures for maintaining the valve are necessary.

Kirby Morgan® will install the P/N 510-550 Oral Nasal Valve on all future production of diving systems that require it, as well as on all associated spare kits.

No change in part numbers.
No change in price at this time.
No exchanges will be offered.

Always purchase your Kirby Morgan® products from an authorized Kirby Morgan® dealer. A list of all authorized Kirby Morgan® dealers is available on our website, www.kirbymorgan.com/dealers.

Please contact your authorized KMDSI dealer or e-mail sales@kirbymorgan.com for more information.
