**Bulletin #9 of 2025. December 9, 2025**

## **NEW PRODUCT BULLETIN**

### **P/N 815-039 Surface Supplied Microphone Assembly**

**Products Affected:** P/N 500-800 Surface Supplied MOD-1 & P/N 805-225 Surface Supplied Pod

A new microphone is now available and is standard for all Surface Supplied MOD-1s and Surface Supplied Pods. The microphone is housed in a non-removable yellow casing and features very durable fixed jumper wires. The P/N 815-039 Surface Supplied Microphone Assembly is a single complete unit compared to the four individual components needed for the previous microphone. There are no changes to the installation of the microphone into the Oral Cup and no modifications related to maintenance procedures.

Always purchase your Kirby Morgan® products from an authorized Kirby Morgan® dealer. A list of all authorized Kirby Morgan® dealers is available on our website, [www.kirbymorgan.com/dealers](http://www.kirbymorgan.com/dealers).

Please contact your authorized KMDSI dealer or e-mail [sales@kirbymorgan.com](mailto:sales@kirbymorgan.com) for more information.
