Bulletin #2 of 2008. October 24, 2008 Change to Product Pull Strap Assembly With D Ring, Part # 505-142

Kirby Morgan Dive Systems is now shipping all helmets (except the 17B) with a new Pull Strap assembly that has a 1" Stainless Steel "D" ring sewn on the end to hang the neck ring assembly and allow proper drying. The length of the Pull Strap remains the same.

Products Affected: All Helmets except SuperLite®-17B.

All neck ring assemblies: 505-090, 505-093, 505-094, 505-095, 505-097, 505-100, 505-101, 505-102, 505-104, 505-117, 505-118, 505-119, 505-120, 505-744, 505-745, 505-746, 505-747.

Kit:

525-230 Dry Suit Neck Ring Kit

Order: 505-142 Pull Strap Assembly With D ring.

New suggested retail price is US \$12.00.

The new 505-142 replaces the 530-808 Pull Strap (no D ring), and will retrofit all earlier neckrings. The 530-808 will remain available as supplies last.
