Bulletin #4 of 2009. June 25, 2009 New Product Bulletin Pull Strap Assembly Kit P/N 525-770

P/N 525-770 Pull Strap Assembly Kit is now available. This kit will enable users of neck dams equipped with older pull straps P/N 530-808 to convert to the new pull strap with D-ring.

The Stainless Steel "D" ring, sewn on the end to hang the neck ring assembly, allows for proper drying. See bulletin #2 of 2008 for further details at www.kirbymorgan.com.

2009 US retail for the 525-770 Pull Strap Assembly is \$13.00

Contents of kit include:

Part Number	Description	Qty.
505-142	Pull Strap Assembly	1
530-220	Screws	2

Contents of P/N 525-770
