Products Affected: SuperLite 17C Helmets (p/ns 500-599, 500-600)

Picture of chin strap assembly kit 525-716

An upgrade for SuperLite 17C Helmet owners is now available.

The SuperLite 17C now comes standard with a chin strap assembly. This is effective immediately.

To upgrade your SuperLite 17C helmet with the new chin strap, please contact your KMSDI dealer. Ask for 525-716 chin strap assembly kit.

The limited time special price for this assembly is retail \$10.00 (Regular \$15.75). This special price expires August 31, 2011.

For further information on chin restraints, please review KMSDI General Notice 1 of 2009.

Go to [Product Bulletins](#) on the Kirby Morgan website at www.kirbymorgan.com.
